MICHAEL ARMSTRONG and  
BERYL ANN GRIEGO,

Plaintiffs,

v.

CV 15-1148 KG/WPL

MIRIAM FERNANDEZ-RICE,  
Administrative Law Judge, United States  
Social Security Office of Disability Adjudication  
and Review, in her individual capacity, and  
DANIEL ROPER,

Defendants.

**ORDER QUASHING ORDER TO SHOW CAUSE**

On August 15, 2016, I entered an Order to Show Cause (Doc. 29), requiring counsel for the Defendants to show cause, in writing, for his absence at the status conference scheduled for that day. It now appearing that counsel has submitted a sufficient explanation for his absence, the Order to Show Cause is quashed.

IT IS SO ORDERED.
